

INTERNATIONAL MCC MENTOR COACHING

10 Hours of ICF MCS Mentor Coaching — MCC Level

www.baldcoach.com

Target Audience

Professionally trained coaches seeking an MCC (Master Certified Coach) credential with the ICF via the Portfolio Application Pathway, who have (almost) completed the required 2,500 coaching practice hours and 200 training hours for MCC level.

Overview Key Benefits

- Understand the key differentiating coaching skills between PCC and MCC level
- Detailed written feedback from an internationally experienced ICF MCC Assessor and MCS-certified Mentor Coach
- Stay current with the 2024 ICF Core Competencies, MCC Minimum Skills Requirements (MSRs), and Code of Ethics
- All sessions individually scheduled around your availability — fully flexible
- Review of 3 coaching recordings, each with a completed ICF Session Observation Form and verbal and written feedback
- Receive a final ICF Competency Review Form summarising your cumulative skill development across all observed sessions
- Language support : English or German

On completion of this programme you will hold all the ICF mentor coaching documentation required to submit your MCC credential application — including your signed Session Observation Forms and completed Competency Review Form, ready to submit to the ICF.

Content

- In-depth exploration of the ICF Core Competencies at MCC level, Minimum Skills Requirements (MSRs), and ICF Code of Ethics
- Review & feedback on 3 coaching audio recordings, each assessed against the full ICF MCC Session Observation Form (Competencies 1–8)
- For each recording: evidence-based written feedback identifying a minimum of 2–3 areas of strength and 2–3 areas for development
- Pre- and post-session client reflection prompts for each observed session, supporting your learning and integration
- Final ICF MCC Competency Review Form completed at the end of the engagement — documenting your cumulative demonstration of coaching skills across all observed sessions
- Supporting learning materials provided throughout

Logistics

All sessions are delivered 1:1 via Zoom. All scheduling is individually arranged to suit your availability. The programme must be completed over a minimum of 3 months and within 6 months of the start date.

Optional Preparation

- MCC Health & Readiness Diagnostics Call — individually scheduled (30 mins)

10-Hour Mentor Coaching Programme

- 5 sessions × 2 hours, all individually scheduled via Zoom
